

## The One-Anothers

Around fifty times in the New Testament, Jesus and the apostles tell us to feel, say, or do something to "one another." We are to care for one another and bear with one another, honor one another and sing to one another, do good to one another and forgive one another. And then there is the grand, overarching, most-repeated one-another, the command that "binds everything together in perfect harmony" "Love one another."

*Colossians 3:14*
